## Koine' Concert at HVL

**March 26 1:00-2:00**

**Koine' - Common Language, Common People, Extraordinary Message.** That's what Koine' was in ancient Macedonia,

the common language of the people. Today, Koine' is a Christian band bringing a new vibrant sound and feel to traditional Lutheran and church songs. This past summer Koine performed at HVL and attendees enjoyed their performance. For that reason, we have scheduled a concert on Friday, March 26, from 1:00-2:00. We invite all area LES's as well as the general public to join us. There will be an admission fee of \$2 per person. To hear a few samples of their songs and to find out more about them, you can visit them on the web at <http://www.koinemusic.com/index.html>

Driving accidents are the #1 killer of teens in the United States. The rest of the top ten killers (#2 - #10) combined don't kill as many teens. Studies show that 43% of new drivers are involved in automobile accidents their first year driving.

The Michigan State Police will present a driver safety workshop at HVL especially for young drivers and their parents on March 17, from 10:45-12:00 in the HVL chapel. The theme of safe driving will cover topics such as texting, cell phones, driving in the snow, etc. Parents are encouraged to join us and all are welcome.
