

Huron Valley Lutheran High School

HVL E-News

What is this?

This is the second issue of a new publication which will be e-mailed this summer and during the coming school year to keep you informed of school events. It will be sent monthly during the summer, then weekly once school begins.

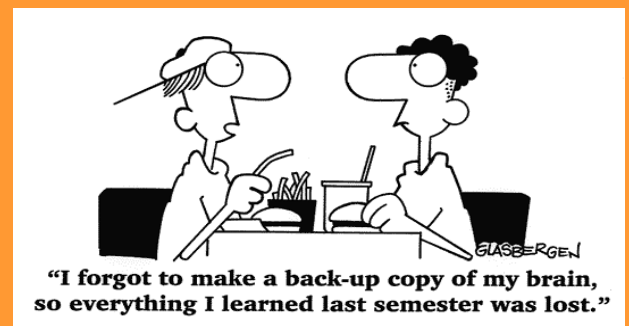

Items of Interest

We are blessed that our enrollment will be near 90+ students for the coming 2009-2010 school year. Included in that number is approximately 28 new freshmen. With such a large class, we may have to split the freshmen into two sections. That decision will be made in the next couple weeks. We are especially excited to welcome two international students to our HVL family. Zhang Huaiyu is a sophomore, and Zelin Li will join the junior class. Both young men will arrive at their host families in mid-August.

We are in need of the following items for our school: 4-5 personal laser printers are needed for faculty members. We are also looking for a 4-5 drawer file cabinet. Please contact the HVL office if you can help.

There is still time to sign up to host an international student. Host families are eligible for a \$2,000 tuition reduction. Detailed information regarding hosting International exchange students is available, but in short, host families are asked to provide meals, and a room or a bed in a room with a similarly aged, same gender student. The international student's family provides for all other needs (spending money, clothes, entertainment, etc.) Contact the HVL office if you are interested.

All school families should have made their first tuition payment in July. **There is a \$200 charge for accounts begun after July.** If you have not returned your tuition payment forms, please contact the HVL office immediately to avoid this late charge.
