HVL E-News for the week of 9-6-2011

Welcome!

As we enter another school year, the HVL staff welcomes your child to our school. We strive for success and achievement for all our students, and when parents, teachers, and students work together at these goals, it can yield great results for our students. We will work hard to ensure that your child receives the best academic education in a Christian environment and we ask for your continued support.

You can keep informed of school activities and happenings through our website, weekly E-news, monthly calendars, and communications from teachers. If you should have any questions, please contact your child's teacher or call the school office. We will be glad to help. Let's work together to make this a great year.!

HVL "Thank You" Pig Roast

HVL has so many families who support us with their time, talents, and treasure. Our summer workday which occurred this past month is just one example of this. We had a good number of adults and students attend this workday to help clean our building. In addition, volunteers operate rummage sales, direct plays, coach teams, serve on boards, take tickets, etc. We invite all our supporters to be our guest at our fourth annual pig roast. The Pig Roast will be held on Saturday, September 24, from 5:00-7:00 at "The Cady-Boyer Barn" located at 500 North Ridge Road, Canton, MI 48187.

Please RSVP by calling the school office or emailing us at HVLHS@hotmail.com by September 16.

Attention, School Parents

Three times each year we take off part of a school day to play indoor/outdoor games. Classes compete against each other and each class gets a t-shirt. Students decorate their shirt and then wear them on Activity Days. The first Activity Day is coming up September 14. Students need to pay \$5 for their ACTIVITY DAY T-shirt.

School Picture Day

Picture day for all students is Wednesday, September 7th. Packets were sent home with students. Payment is due when the pictures are taken on Wednesday.

Attention, Thrivent Members

For the past two years, Thrivent introduced to its members a new program of charitable giving called

"Thrivent Choice" which replaced their old charitable gifting program. HVL is happy to report that in the last nine months, 62 families have named HVL as the recipient of their choice dollars for a total of \$9,000 in gifts to our high school. Thank you!

HVL encourages all its Thrivent policy holders to consider naming HVL as the recipient of their Thrivent Choice Dollars. If you choose to enroll through the online method, you will see that HVL is available for you to select as the recipient of your future gifts. Thanks for your support!
